Whilst every effort has been made to make Elton Youth F.C. a safe and welcoming environment we have to make you aware that football is a contact sport and injuries can happen.

Elton Youth F.C would like to point out that they are not liable in any way for any injuries to anyone, this includes spectators.

It is the responsibility of the parent/guardian to ensure that their child is safely delivered to and collected from both training and matches.

Parents should make aware (to the manager/coach) any concerns regarding the health/fitness of their child.

All club representatives will take as many precautions as possible to ensure that the welfare of the child is always the first priority.

The club does not insure any player against personal injury sustained through playing, training, or travelling to or from such activities.

All players and parents/supporters are to conduct themselves in a proper manner both on and off the field of play. (Code of conduct will be distributed to each player in a separate document.)

All parents are asked to accompany their child to all matches and also to training sessions.

Parents are asked to refrain from confronting other parents, thus bringing the club into any conflict with any governing body.

Any fines imposed upon players/spectators will be the responsibility of the person concerned.

The player and the Parent/Guardian named above *agree* to abide by the rules of behaviour of the club name above.

They also agree to support the aims of the club, pay any due subscriptions on time and take care of and return any club kit or equipment when request.
